

Iuliana BANU

Research projects

Manager

1. *Chemical, biochemical and technological investigations for improving nutritional value of rye*, PN II-PCE-IDEI, 500/01.01.2009, 2009-2011

Manager

2. *Reduction of cereals contamination with mycotoxins for getting safe baking products with high fibres content (FIBRESIG)*, PNCDI, 4th Program, Partners, Direction 5. Agriculture, Food Safety and Security, 52-132/01.10.2008, 2008-2011.

Subcontractor manager

3. *Researches concerning improvement of a computerized control system of food packaging used to increase food safety (SISCAM)*, PNCDI, 4th Program, Partners, Direction 5. Agriculture, Food Safety and Security, 51-052/2007, 2007-2010.

Team member

4. *Research regarding the design of an equipment, for the grinding resistance measurement of the cereals and of the fractions obtained in the milling process*, PN II-PCE-IDEI, 166/2007, 2007-2010.

Team member

5. *Romanian Technology Platforme Food for Life, Working Group Food and Consumer*, www.bioresurse.ro.

Team member

6. *Functional foods: research on increasing the quality and safety of foods by designing, producing and launching new synbiotic products (CALISIN)*, Excellence in Research Programme, Module 1, BIOTECH, 103/1.08.2006, 2006-2008.

Team member

7. *Improving the qualitative indicators on biological treatment of waste water from food industry using advanced leading systems (APEPUR)*, Excellence in Research Programme, Module 1, MENER, 17/24.07.2006, 2006-2008.

Team member

8. *Developing laboratory infrastructure in the field of evaluation and certification of foods quality and safety*, Excellence in Research Programme, Module 4, no. 3793/2006, (RENAR 167/2006), 2006-2007, www.biaa.ugal.ro.

Team member

9. *Integrated Centre for Training and Research for Applied Biotechnology in Food Industry*, BIOALIMENT, Platforms/laboratories for interdisciplinary training and research, CNCSIS code 62, 2006-2008, www.bioaliment.ugal.ro.

Team member

10. *Advanced training system based on IT for workers in milling and baking industry* (STAM), RELANSIN 1882/15.X.2003, S6, 2003-2005.
